

About The Institute:

Kilachand Devchand Polytechnic (Govt. Polytechnic), Patan was Established in the year 1960. This polytechnic is a premier technical education and training institute in the North Gujarat. It imparts training to students so that they become competent and motivated engineers.

Programs Offered:

The Institute offers three years full time diploma programs as per below:

Sr. No.	Program Name	Intake
1	Diploma in Civil Engineering	120
2	Diploma in Mechanical Engineering	120
3	Diploma in Electrical Engineering	90
4	Diploma in Computer Engineering	180

Institute Vision:

To impart quality technical education and create an ethically sound class of well-trained youth that can achieve opportunities in industries and serve the society.

Institute Mission:

- To develop well-equipped laboratories and good academic infrastructure.
- To promote co-curricular and extra-curricular activities for overall personality development of the students.
- To strengthen industry institute interaction.
- To inculcate entrepreneurial skills.
- To instill discipline and social awareness among students and enable them to deal with practical problems in daily life.

About the Patan City:

According to history, Vanraj Chavda founded the city of Patan in 746AD. The city enjoyed the status of capital of Gujarat for about 600 years till 1411A.D. Patan reached the heights of glory under the rule of Solankis till Mahmud Ghazni in 1024A.D. invaded the city and ransacked it. There are many tourist attractions including forts, vavs (step wells), talavs (lakes) and places of worship. The main tourist attractions are the Ran ki vav (World Heritage Site), Sahatraling talav and patola saris.

- Dedicated and qualified faculty members provide congenial teaching and learning environment.
- Approach for design and case studies based teaching learning.
- Excellent counseling and academic follow up system with experience faculty members.
- Enriched class rooms and audio visual facility with modern teaching aids.
- Enriched library with reference books, Magazines and Project reports.
- Well-equipped laboratories with various trainer units, measuring instruments, testing devices, computers and peripherals.
- Institute has Placement Cell, SSIP, NSS, Finishing School, Gymkhana, Grievance Cell and Women Empowerment Cell.

Co-Curricular Activities

- Field and Industrial visits
- Entrepreneurship workshop
- Short term training program
- Expert lectures by eminent academician
- Technical Quiz
- Project exhibition

Placement

The Training and Placement Cell works professionally with the Industry to place its students in engineering sector. The Training and Placement Cell handle all aspects of the campus recruitment at institute and also helps in enhancing the skills of the students as per the demands of the industry by conducting numbers of seminars & workshops including KCG's Finishing School (GoG) Programs. Many of our students are placed in industries and some have opted for higher studies.

SSIP

Government of Gujarat has built up an approach for giving help to Start-ups/Innovation. The Student Start-up and Innovation Policy of Government of Gujarat means to make an incorporated, state-wide, college-based development ecosystem to help advancements and innovative thoughts of youthful understudies (diploma students) and give a favorable climate to ideal tackling of their inventive interest.

NSS

Institute has National Service Scheme (NSS) unit which helps the students to develop appreciation towards other person's point of view and also show consideration to other living beings. NSS belief that the welfare of an individual is ultimately dependent on the welfare of the society. The NSS volunteers shall strive for the well-being of the society. NSS organize extra-curricular activities like Tree plantation and Safai Abhiyan, Yoga day celebration, Independence Day celebration etc.

Grievance Cell

Grievance Cell is mandated by the MHRD, Institute redresses all types of grievances, complaints, and malpractices received from students / faculty members/stakeholders. The institute believes in unbiased redress of grievances and has formed a Disciplinary Committee to deal with any such matters.

Finishing School:

A finishing school is defined as "a private school for students that emphasizes training in all round personality development, cultural and social activities. Specific skill sets may be imparted as value addition. The name reflects that it follows a school or college education and is intended to complete the educational experience. It may consist of an intensive course, or a one-year program. Courses running under finishing school are as follows.

- Life skills – 25 Hours
- Employability Skills – 25 Hours
- English Functional skills – 25 Hours

Women Cell

Women Development & Sexual Harassment Cell is a mandated body as per the Rules and Regulations lay down by AICTE/UGC and MHRD. In line with this, the Institute has formed a Women Development & Sexual Harassment Cell (WDC) and Internal Complaint committee. This cell performs its duties with a sole aim of creating a hassle-free environment for female students and staff of the campus community and thereby strives for enhancing their self-respect and self-confidence.
