THE FOUNDATION

RAJRATNA RAO BAHADUR

SETH KILACHAND DEVCHAND

In the year 1961, Kilachand Devchand Polytechnic (Government Polytechnic), Patan was established by the state and the central government with the help of Shri Jivanlal Chotalal Shah in memory of his grandfather Shri Kilachand Devchand. Shri Kilachand Devchand was a visionary man, philanthropist, and entrepreneur. His family (The Kilachand group) established India's first modern shipyard (Scindia Steam Navigation Company Ltd.), first aircraft factory (Hindustan Aeronautics Limited), first car factory, construction companies (Dodsall Group), sugar factories (Kesar Enterprises Limited) and many other businesses.

MESSAGE FROM PRINCIPAL

A warm welcome to Kilachand Devchand Polytechnic, Patan. I am honoured and delighted to publish KDP's online E-Newsletter for the months of July to December 2023. This is our attempt to compile key events and provide them in the form of an E-Newsletter. This is the consequence of a combination of NBA certification criteria, Digital India Initiative standards, and our Go Green Policy requirements.

At K. D. Polytechnic, we encourage students to participate actively in a variety of educational and extracurricular activities both inside and outside the institute. I invite students and visitors to take a few seconds to read this e-Newsletter, which is available on our college's website, and to support us in our new endeavour.

I'm hoping that our e-Newsletter will find a special place in the hearts and minds of our readers. On this occasion, I'd want to thank the entire editorial team, particularly the student members, for their efforts in making things happen.

With warm regards

Shri R. M. Shaikh

EDITORIAL BOARD OF INSTITUTE

Editor in Chief: Shri R. M. Shaikh (Principal)

Co-ordinator: Mr. U. V. Patel (Lecturer in EC Department)
Mr. R. K. Prajapati (Lecturer in EC Department)

Teachers Editor: Mr. R. D. Modi (Lecturer in Electrical Department)
Mrs B. I. Saini (Lecturer in Computer Department)
Mr. C. H. Thakkar (Lecturer in Civil Department)
Mr. S. R. Modi (Lecturer in Mechanical Department)
Mr. A. B. Patel (Lecturer in General Department)
Mrs. P. P. Patnakar (Lecturer in Applied Mechanics Department)

Students Editors: Miss. Astha Khamar (Semester -4, Computer Engineering)
Miss. Leenadevi Lohana (Semester -4, Computer Engineering)

MESSAGE FROM EDITOR IN CHIEF:

Greetings and welcome to the K. D. Polytechnic, Patan Newsletter for July to December 2023. I am delighted to present this issue of the newsletter. The Institute's progress and ongoing operations are presented in this issue. The Institute's entire staff is always working together as a team to achieve unmatched quality in our daily operations. Our Institute's journey has been nothing short of extraordinary thus far, with a strong concentration on academics, training, and industrial activities. By participating in a variety of academic and promotional events, our students have helped to improve the image of our Institute. They are laying the foundation for future generations of students to achieve success and distinction. I personally highly appreciate them on their devotion and hard work in achieving such a high level of engineering achievement. The Institute's current events are highlighted in the newsletter. I hope and believe that readers will find it fascinating, and I would be grateful if they could provide us with feedback, comments, and recommendations on how to enhance this newsletter in the future. Furthermore, none of this would have been possible without the unwavering support of our Faculty members, who consistently push and motivate us to achieve our best in everything we do for a living. I'll see you all again in six months, and until then, GOOD BYE.

With Best Wishes,
Shri R. M. Shaikh
(Editor in Chief)

ABOUT THE INSTITUTE

Kilachand Devchand Polytechnic (Govt. Polytechnic), Patan was Established in the year 1961. This polytechnic is a premier technical education and training institute in the North Gujarat. It imparts training to students so that they become competent and motivated engineers. The Institute celebrates freedom of thought, cultivates vision and encourages growth, but also includes human values and concern for the environment and the society. The Institute awards three years diploma in 4 branches of technology area.

INSTITUTE VISION

To impart technical education and create an ethically sound class of well-trained youth that can achieve opportunities in industries and serve the society.

INSTITUTE MISSION

- To develop well-equipped laboratories and good academic infrastructure.
- To promote co-curricular and extra-curricular activities for over-all personality development of the students.
- To strengthen industry institute interaction.
- To inculcate entrepreneurial skills.
- To instill discipline and social awareness among students and enable them to deal with practical problems in daily life.

HIGHLIGHTS OF THE INSTITUTE

- All diploma programs offered by the institute are approved by AICTE and affiliated with GTU.
- Outcome-Based Education is the Institute's main focus.
- Ample opportunity for overall development along with teaching learning process.
- Dedicated and qualified faculty members provide congenial teaching and learning environment.
- Approach for design and case studies based teaching learning.
- Excellent counselling and academic follow up system with experience faculty members.
- Enriched class rooms and audio visual facility with modern teaching aids.
- Enriched library with reference books, Magazines and Project reports.
- Well-equipped laboratories with various trainer units, measuring instruments, testing devices, computers and peripherals.
- Institute has Placement Cell, SSIP, NSS, Gymkhana, Grievance Cell and Women Empowerment Cell.

LIST OF DIPLOMA PROGRAMS

- Civil Engineering
- Computer Engineering
- Electrical Engineering
- Mechanical Engineering

EXTRA-CURRICULAR ACTIVITIES

NSS & GYMKHANA ACTIVITIES

TREE PLANTATION

The Gymkhana Cell organized an event titled "Tree Plantation" on July 21, 2023, during the recess time of K. D. Polytechnic, Patan, held in the college garden. With a participation of 102 students and 37 faculties, the event aimed at fostering a greener environment and instilling a sense of responsibility towards nature.

SEMICON INDIA 2023 VISIT GANDHINAGAR

The Gymkhana Cell KDP organized a captivating visit to SEMICON India 2023 at Mahatma Mandir, Gandhinagar on July 29, 2023. From 6:00 am to 6:30 pm, 62 students and 2 faculty members immersed themselves in the technological marvels showcased at the event.

ESSAY WRITING ON G20/Y20

Gymkhana of K. D. Polytechnic, Patan organized Essay writing on August 2, 2023 on G20/Y20 among the students. 24 Students participated in the event very enthusiastically and expressed their thoughts in the form of essay. Students enjoyed fully during event.

SEMINAR ON Y20

On August 2, 2023 Gymkhana of K. D. Polytechnic, Patan organized Seminar on Y20 for the students. 42 Students participated in the event very enthusiastically and expressed their thoughts in the seminar. Students enjoyed fully during event.

INDEPENDENCE DAY CELEBRATION

On August 15, 2023, the KDP Gymkhana Cell celebrated Independence Day at K. D. Polytechnic, Patan. The ceremony started at 08:00 AM in the presence of the principal, departmental heads, faculty, staff members, and NSS volunteers.

RANGOLI COMPETITION

Experience a riot of colours and creativity at the Rangoli Competition on September 21, 2023, organised by Gymkhana cell starting at 11:00 am. Held at the Main Building, Academic Block, C.P. Building of K. D. Polytechnic, this event promises a spectacle of intricate designs crafted by 39 enthusiastic students and 5 faculties. Beyond mere visuals, it embodies a cultural celebration, where participants breathe life into tradition through vibrant powders, forming mesmerizing patterns.

PRIZE DISTRIBUTION CEREMONY

The Prize Distribution Ceremony organised by Gymkhana cell held on September 22, 2023, at the Seminar Hall of the Computer Department, K. D. Poly, Patan, marked a celebration of academic achievement and dedication. With 214 students and 28 faculties in attendance, the event commenced at 03:00 PM, radiating an atmosphere of recognition and appreciation. Each participant's effort and perseverance were acknowledged as they stepped forward to receive their awards, amplifying the spirit of success and accomplishment.

NAVRATRI GARBA

The Navratri Garba event organised by Gymkhana cell took place on October 27, 2023, from 03:00 pm onwards at the Ground between Academic Block and New Laboratory Wing of K. D. Polytechnic, Patan with a turnout of 314 students and 24 faculty members, the event was a vibrant celebration of the Navratri festival. KDP's initiative brought together students and faculty in a joyous celebration of tradition and community spirit.

DRAWING COMPETITION ON NATIONAL UNITY DAY

NSS cell K. D. Polytechnic, Patan hosted a Drawing Competition to celebrate National Unity Day on October 30, 2023. The event attracted seven participants from various departments. The winners of the competition were announced as follows: Khamar Ashtha from the Computer department secured the first position, followed by Raval Sarvagna from Mechanical department in second place, and a tie for third place between Modi Pari and Thakor Saloni from the Computer department.

JOY OF GIVING

NSS cell K. D. Polytechnic Patan organized the "Joy of Giving Activity" from November 2nd to November 8th, 2023, encompassing both a Collection Drive and a Donation Drive. The event aimed to embody the spirit of generosity during the festive season of Diwali. Participants, totalling 20 individuals, actively engaged in collecting old and used clothes from

across the institute. These items were then distributed among the less fortunate members of society, embodying the ethos of compassion and community outreach.

NATIONAL CONSTITUTION DAY

The National Constitution Day Celebration at K.D. Polytechnic, Patan on December 5th, 2023 by NSS cell, aimed to deepen students' understanding of the constitution, focusing on its significance in shaping the nation's governance.

START-UP CONCLAVE – 2023, GANDHINAGAR

The Gymkhana Cell organized a visit to the Startup Conclave 2023 in Gandhinagar on December 8, attracting 52 students and 2 faculties. Held at Mahatma Mandir, Gandhinagar, the event commenced at 7:00 am and concluded by 6:30 pm. The conclave, facilitated by the state government, featured unicorn start-ups, venture capitalists, and prominent Gujarat - based entrepreneurs.

WOMEN DEVELOPMENT CELL

The Women Development Cell's objective is to foster an inclusive educational environment where women can thrive academically, professionally, and personally.

SEMINAR ON CYBER SECURITY AWARENESS

For the benefit of Women in the institute, Women Development Cell organized Seminar on Cyber Security Awareness on Date 6-9-2023, Time: 11AM, Seminar Hall Department of Computer Engineering. Mr. C. D. Patel Lecturer Computer Engineering (Cyber Volunteer) is resource person for this seminar. He discusses various cyber security threats, cyber-crimes and cyber laws. He also gives security tips to women against online threats. 81 Students of Computer Department, Female Faculty Members and Women Development Cell members attended this valuable session.

MISSION LIFE PROGRAM

The main objective of this program is to create awareness among students (youth) about Save Energy, Save Water, Reduce Waste, Healthy lifestyle. For that, we have to remember this mantra:

प्रकृति: रक्षति रक्षितः ।

**Means, those who protect nature,
nature protects them.**

We believe we will build a better world
by following our Mission life.

PLASTIC FREE CAMPUS DRIVE

Mission Life team has organised this plastic free campus drive dated on 14th Dec on National Energy Conservation Day at K. D. Polytechnic Patan campus to create awareness about reduce waste among students.

CO-CURRICULAR ACTIVITIES

SSIP CELL

ONE DAY SEMINAR ON BASICS OF ARDUINO

The One Day Seminar on "Basics of Arduino" held on Tuesday, December 05, 2023, at the Seminar Hall of K. D. Polytechnic, Patan, proved to be a pivotal event for 176 first-year students across all departments. The speakers, Mr. U. V. Patel from the E. C. Engineering Dept. and Mr. S. V. Patel from the Electrical Engineering Dept. at K. D. Polytechnic, imparted invaluable knowledge of the fundamentals of Arduino.

SSIP 2.0 STUDENTS SENSITIZATION

The SSIP 2.0 Sensitization Program, held on Friday, December 29, 2023, from 03:30 pm to 04:30 pm at the Seminar Hall of Sheth V. K. Bhula High School, Patan, aimed to enlighten 10th-grade students. Spearheaded by event coordinators Dr. Hitesh R. Patel and Mr. Hiren R. Patel, Through engaging presentations, the speakers

inspired 155 students, providing them with valuable perspectives to navigate the ever-evolving landscape of engineering and beyond.

SSIP AWARENESS PROGRAM

The SSIP Awareness Program, held at the Department of Computer Engineering on September 21, 2023, was an enlightening expert lecture aimed at informing first-semester students about SSIP 2.0 policy, SSIP projects, and various government initiatives. Organized by Mrs. Baljit Saini, the event featured Mr. Y.R. Patel, a Lecturer specializing in Computer Engineering from K.D. Polytechnic, Patan.

CELEBRATION OF WORLD ENTREPRENEURSHIP DAY-2023

The World Entrepreneurship Day celebration at K. D. Polytechnic on Monday, 21 August 2023. More than 176 students and 10 faculty members have participated in this event.

DEPARTMENTAL LEVEL ACTIVITIES

CIVIL DEPARTMENT

TECHNICAL VISIT AT RAIN GAUGE STATION, PATAN AND SARASWATI BARRAGE

Technical visit was organized by D. K. Patel, H. T. Patel and P. P. Prajapati the faculty of Civil Engineering Department, K. D. Polytechnic, Patan at Rain Gauge Station, Patan and Saraswati Barrage on November 06, 2023 as a part of Water Resource Engineering subject. About 40 students of 4th semester of civil department had participated in this visit.

TECHNICAL VISIT AT SARASWATI BARRAGE, PATAN

On December 11, 2023, the Civil Department faculty members D.K. Patel, H.T. Patel, and C.H. Thakkar orchestrated a technical visit to Saraswati Barrage, Patan as an integral component of the Surveying subject curriculum. Approximately 50 students from the 3rd semester of the Civil Department enthusiastically partook in this educational excursion.

COMPUTER DEPARTMENT

EXPERT LECTURE ON WEB DEVELOPMENT USING WORDPRESS

Mr. Vijay Patel of Zorens Technology, Patan, delivered an expert lecture on "Web Development Using WordPress" on September 15, 2023. The session covered WordPress fundamentals, installation, theme customization, plugin usage, and hands-on advanced customization, providing 118 participants with a comprehensive skill set for web development success.

EXPERT LECTURE ON GIT AND GITHUB

Mr. Manav Patel delivered an expert session on September 22, 2023, from 2:50 am to 4:30 pm, 86 students explored version control excellence using Git and GitHub. Covering Git fundamentals, branching, merging, and GitHub collaboration, the lecture enhanced participants' skills for efficient code management in the software engineering landscape.

EXPERT LECTURE ON SOCIAL CYBER SECURITY AWARENESS

On October 6, 2023, from 3:00 pm to 4:00 pm, Mr. Dhruv Patel from SPCE, Visanagar, delivered an expert lecture on "Social Cyber Security Awareness" at the Seminar Hall. With 35 student participants, the session highlighted social engineering vulnerabilities and provided practical strategies for recognizing and thwarting cyber threats. The lecture underscored the importance of ongoing user education and collective defence against evolving cyber risks.

EXPERT LECTURE ON A COMPREHENSIVE GUIDE TO ERGONOMICS EXCELLENCE

On December 14, 2023, from 1:00 pm to 2:00 pm, Mr. J. B. Patel from Government Polytechnic, Himmatnagar, delivered an expert lecture on "A Comprehensive Guide to Ergonomics Excellence". With 69 student participants, the session emphasized ergonomic principles for creating optimal work environments and promoting employee wellbeing.

ELECTRICAL DEPARTMENT

EXPERT LECTURE ON ENERGY CONSERVATION AND ENERGY EFFICIENCY

The expert lecture titled "Energy Conservation and Energy Efficiency" held on November 12, 2023, at 11:00 am onwards in Room No. A – 006, New Academic Block, K. D. Polytechnic, Patan, was a pivotal event organized by the Electrical Department. Renowned speaker Shri Mittal Shah, Deputy Engineer at UGVCL, delivered an insightful discourse aimed at electrical engineering students. His presentation elucidated crucial strategies for energy conservation and enhancing energy efficiency. With Shri Shah's invaluable guidance, students gained profound insights into sustainable energy practices. The session not only captivated the audience but also provided them with a wealth of knowledge, leaving a lasting impact on their understanding of energy management.

MECHANICAL DEPARTMENT

INDUSTRIAL VISIT AT SOLITAIRE 15 MW SOLAR PLANT

An industrial visit organized by the Mechanical Department of K.D. Polytechnic, Patan, to the Solitaire 15 MW Solar Plant on September 22, 2023. Attended by 35 students and accompanied by two faculty members, the visit offered invaluable insights into renewable energy systems.

INDUSTRIAL VISIT AT SHREEJI CASTING, PATAN

On December 29, 2023, the Department of Mechanical Engineering, K. D. Polytechnic, Patan, had planned one-day industrial visit to Shreeji Casting, Patan. A total of 30 students from the third semester along with 02 faculty members took part.

INDUSTRIAL VISIT AT GUJARAT POWER ENGINEERING & RESEARCH INST, MEHSANA

The industrial visit conducted on November 04, 2023, by the Mechanical Department of K. D. Polytechnic, Patan, at Gujarat Power Engineering & Research Institute, Mehsana, proved to be an enriching experience for the 51 students of the 5th semester. With the participation of 2 dedicated faculties, the visit aimed at augmenting practical insights in the field of Manufacturing Engineering-III. Through interactive sessions and first-hand exposure to industrial operations, students gained valuable insights into advanced manufacturing techniques, process optimization, and real-world applications of theoretical concepts. This initiative underscores the commitment of both institutions to bridge the gap between academic learning and industrial practices, empowering students for future endeavours.

KDPAA

ABOUT THE PATAN CITY

According to history, Vanraj Chavda founded the city of Patan in 746 A.D. The city enjoyed the status of capital of Gujarat for about 600 years till 1411 A.D. Patan reached the heights of glory under the rule of Solankis till Mahmud Ghazni in 1024 A.D. invaded the city and ransacked it. There are many tourist attractions including forts, vavs (step wells), talavs (lakes) and places of worship. The main tourist attractions are the Rani ki vav (World Heritage Site), Sahatraling talav and patola saris.
